

Implementing Web Application

Create UI Interact with Application

Team ID	PNT2022TMID35342
Project Name	Containment Zone Alerting Application

UI Interact with Application:

Login Page:

A mobile app login screen with a dark background. It features two input fields: 'Mobile Number' and 'Password'. Below the inputs are two red buttons: 'SIGN IN' and 'NEW HERE? REGISTER'. At the bottom is a numeric keypad with standard symbols like asterisk, hash, and plus.

Register page:

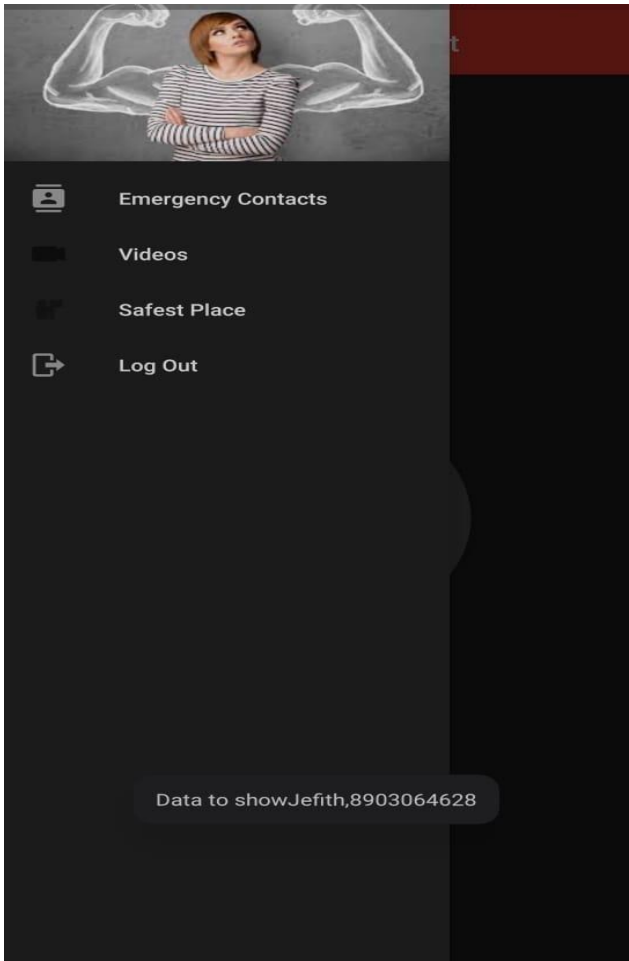

A dark-themed registration form with the following elements:

- Name:** A text input field with a light blue border and a vertical cursor on the left.
- Mobile Number:** A text input field with a light blue border.
- Password:** A text input field with a light blue border and a toggle icon (an eye) on the right side.
- SIGN UP:** A prominent red button with white text, centered below the input fields.
